Trump Grants Generals More Freedom on ISIS

U.S. military commanders are being given more flexibility in their fight against Islamic extremists, a change from the Obama approach that Pentagon officials say is contributing to the following developments:

- **U.S.-Alliance Forces Among 3 to ISIS Attacks Since**
- **Economic Gains Elusive Despite Strong Confidence in**
- **Pentagon Ends Probe of Airstrikes** Airstrikes that the government deemed the proper kind of military operations were given the green light with a new, business-like process, the White House, Sen. Ted Cruz and other Republicans have been told.
