 - Syrian Regime Continues Airstrikes
 - Islamic State Hits U.S.-Led Base in Syria

Islamic State Claims Responsibility for Egyptian Church Bombings

Twin blasts claimed by Islamic State struck Egyptian churches during Palm Sunday services, killing at least 47 people in an escalating campaign of terrorism against the country's Christian population.

Record Bond Issuance Signals Doubts About Economy

Investors are buying record volumes of new bonds, signaling that many remain skeptical about the prospects for faster U.S. economic growth and are reluctant to shift from a strategy that has worked for years.

Price for Tax Overhaul Makes Bipartisan Deal Unlikely

Democrats are starting to settle on a price for participating in a tax-code overhaul, and many Republicans won't want to pay it.

Charles Murphy and his wife, Annabella, in East Hampton, N.Y., in 2008.

Wall Street Made Charles Murphy Successful and Rich, but Happiness Eluded Him

After his apparent suicide, friends say the brilliant, commanding, sometimes abrasive banker, who had a ringside seat for some of history's biggest booms and scandals, suffered from depression—and grew despondent maintaining the charmed life he built for his family.

Mondelez Lays Groundwork to Replace Its Chief Executive

Mondelez International is preparing to look for a successor to its chief executive, Irene Rosenfeld, as the snack giant faces pressure from shareholders and changing consumer behavior.

- Milestones During Rosenfeld's Tenure

How Goldman Sachs Made More Than \$1 Billion With Your Credit Score

Three years after Goldman bought TransUnion, the credit-reporting firm had become a data-mining machine, gathering billions of seemingly insignificant tidbits about ordinary Americans that it analyzed and sold to lenders, insurers and others. Goldman has already pocketed nearly \$600 million in profit and is poised to make five times its initial investment.

On Auto Show's Eve, Car Makers Face Emissions Fight

Auto executives descend on New York's annual auto show this week amid cooling demand for new vehicles and an emissions battle brewing in the Empire State.

'Smurfs' Lags at Box Office

"Smurfs: The Lost Village" made its box-office debut in third place, with \$14 million—far behind family-friendly holdovers "The Boss Baby" and "Beauty and the Beast," according to studio estimates Sunday.

Shell Executives' Call Offers Inside Look at Bribery Probe

A recorded phone call opens a rare window into the private conversations of Shell's top executives and reveals how a Nigeria bribery investigation has become a nagging worry for the oil giant.

Rocket's Price Tag May Be Coming Back to Earth

With SpaceX and Blue Origin trips slated to cost a fraction of the \$1.6 billion NASA is committed to pay for Orion's first test flight, the project's champions aim to show that subsequent flights of the vehicle would be less expensive.

Markets

Index Firms Take Issue With Nonvoting Rights

The issue of voting rights is raising the ire of some shareholders' rights advocates because company founders and executives often end up with far more votes than shares.

Meet an Unsung Force in Stock Trading: First Trust's ETF of ETFs

Some of the biggest action in exchange-traded funds last month took place in two little-known First Trust ETFs. The biggest trader? First Trust Advisors LP itself.

Chinese Banks Ramp Up Overseas Loans

Big Chinese banks are lending record volumes abroad in a bid to tap new growth, helped by state-backed ambitions to build infrastructure around the world.

AHEAD OF THE TAPE
Nothing to Fear, But the Lack of Fear in Markets

Investors have taken recent geopolitical events in stride, but that won't last forever.

U.S.

Alabama Governor Loses Bid to Block Impeachment

The Alabama Supreme Court said impeachment hearings can proceed against Gov. Robert Bentley, who is fighting to stay in office amid fallout from an alleged affair with a former aide.

Texas Rethinks Jailing Crime Victims to Secure Testimony

State lawmakers are pushing legislation that would make it more difficult to lock up crime victims to ensure they testify in court—after a Houston case highlighting the practice caused an uproar in the state.

U.S. Hiring Freeze Stretching Federal Agencies

Since President Donald Trump halted government hiring, vacancies at agencies such as the Social Security Administration and Bureau of Prisons have put timely payments and even worker safety at risk, according to unions and government employees.

Gorsuch Ascent Highlights Close-Knit Legal World

Judge Neil Gorsuch's Supreme Court confirmation puts him on course to take the bench for the first time on April 17, when he will see a familiar face: Neal Katyal, the former Obama administration lawyer who endorsed him for the post.

- Senate Confirms Gorsuch as Supreme Court Justice
 - Donald Trump Considers Major Shakeup

World

Stockholm Attack Puts Focus on Terrorists From Central Asia

The Uzbek nationality of the suspected terrorist in a truck attack that killed four in Stockholm has Western security officials focusing on a geopolitically knotty source of extremists: the former Soviet states of Central Asia.

U.S. Sends Aircraft Carrier Group Toward Korean Peninsula

The Navy is sending the Vinson strike group, including the carrier and two guided-missile destroyers, to operate in the Western Pacific Ocean in response to Pyongyang's recent missile tests.

Commerce Secretary on U.S.-China Trade Talks: 'Words Are Easy'

Commerce Secretary Wilbur Ross said the U.S. wants to see "tangible results"—and soon—on its trading relationship with China.

The Island Paradise Where Many Locals Can't Swim

The Maldives has become the island paradise where few locals swim, as residents move to the capital and more than ever grow up without ready access to an open beachfront.
