U.S. Presses China on North Korea

🔒

In the wake of Pyongyang's failed missile test over the weekend, Trump administration officials stepped up pressure on Beijing, saying the threat has reached an inflection point that demands new urgency.

As weddings trend smaller, couples are culling guest lists dramatically. But with budgets that still rival large weddings, guests who make the cut are treated to the works. WSJ's Alina Dizik discusses with Tanya Rivero on Lunch Break. Photo: Ettore Franceschi, Cocoon Events Group

Small Weddings on Big Budgets

🔒

As summer wedding season approaches, wedding planners expect more smaller weddings with the budgets of big weddings. Cousins and colleagues are out of luck. The events often, but don't always, involve a destination and can range from \$1,000 to \$10,000 per person.
