Business & Finance

Fraud allegations prompted China Hongqiao Group's accountant to suspend its audit, raising the specter of an investigation and credit crunch for a company at the center of U.S.-China trade tensions.

With commodity prices at their highest level in years, Campbell Harvey, a Duke University finance professor, is itching to play the spoilsport again: He's researching a new paper on the foolhardiness of commodities investing.

Universal Music won the licensing rights to late pop star Prince's "vault" of unreleased music, but the company is concerned it didn't get what it was promised in its contract.

Nearly a week after police officers violently dragged a passenger off one of its airplanes, United Continental Holdings Inc.'s chairman told the carrier's employees in a memo that the board is "deeply sorry and upset." ■ 72

World

A Turkish constitutional overhaul that is at stake in a referendum Sunday would ensure stability, President Erdogan says; foes from across the political spectrum fear for democracy if changes that would undercut the parliamentary system pass.

- ## What Happens if Turkey's Referendum Passes

Foreign ministers from Russia, Iran and Syria presented a unified front in support of Syrian President Assad, saying the U.S. and international accusations of a chemical strike by the regime were fabrications. ■ 80

- ## Evacuation Begins of Besieged Syrian Towns

President Rouhani is expected to face criticism from hard-line opponents that the dividends from the 2015 nuclear accord have been too slow in coming.

U.S.

Maine wants to do to Medicaid what it did to food stamps: link the health program to work requirements in the hope of reducing enrollment and raising incomes. Critics say jobs for recipients are hard to come by. ■ 190

- ### Should Medicaid Be Converted to a Block-Grant Program?

Arkansas's plan to execute eight men by month's end fell apart Friday, with a judge blocking the use of a lethal injection drug and the state's highest court granting a stay to one of the inmates scheduled to die.

White House Won't Reveal Log of Visitors

The Trump administration won't disclose logs of visitor to the White House, it said Friday, reversing the Obama administration's policy and drawing criticism from advocates for transparency in government. ■ [4]

BUSINESS

Have You or Your Loved Ones Been Hurt by This Ad? Congressman Wants to Know

Plaintiffs' lawyers have long solicited clients through television ads that warn of a drug's potentially harmful side effects. Now, a powerful congressman is pushing back, saying the ads are to blame for patients suffering harm or even dying after dropping treatment. ■ 116
