Tillerson Says Russia Ties at Low Point After Putin Meeting

After hours of talks in Moscow between Secretary of State Rex Tillerson and Russian officials, the two sides said they remain divided over a wide range of issues including the future of Syrian President Bashar Al-Assad. 1039

- U.N. Vote on Syria Fails as Russia Blocks Measure

President Presses Democrats on Health-Bill Negotiations

Almost three weeks after canceling a vote on his health-care package over GOP infighting and opposition from Democrats, Trump is threatening to withhold payments to insurers to force Democrats to the negotiating table. 253

- Trump Voices Commitment to NATO

Grocery Innovator Whole Foods Faces Pressure to Conform

Squeezed by competitors and an activist investor, John Mackey is trying conventional grocery-store pricing and other supermarket tactics to reverse his company's flagging fortunes. 309

- Jana Takes Nearly 9% Stake in Whole Foods

Indexes Beat Stock Pickers Even Over 15 Years

Most actively managed U.S. stock funds were beaten by their market benchmarks over the past decade and a half, a record of underperformance that helps explain why stock pickers are losing billions of dollars in assets each month to low-cost passive investments that track indexes.

United Promises Refunds After Man Dragged From Flight

United Airlines pledged to reimburse the 70 passengers on board a plane that a man was dragged off injured after refusing to give up his seat. 1008

Western Digital Deals Struggling Toshiba a New Headache

Western Digital has told Toshiba it believes it can block any Toshiba sale affecting their joint venture making semiconductors, a new headache for the struggling Japanese company.

BlackBerry Awarded \$814.9 Million in Arbitration Against Qualcomm

Qualcomm said it was ordered to refund \$814.9 million in patent royalties paid by BlackBerry, the latest in a string of setbacks to the chip maker's intellectual-property licensing business.

Ticketmaster Owner Enlists Pearl Jam in Seattle Music Battle

More than 20 years after Pearl Jam accused Ticketmaster of price gouging, the band's manager is joining Live Nation, MSG and Oak View Group to revamp KeyArena.

Drug Shortages Push Up Prices of Similar Drugs

Prescription-drug supply shortages have hurt U.S. medical care in recent years. According to new research, they've also caused another side effect—drug-price increases.

Markets

Saudi Arabia Raises \$9 Billion in First International Sukuk Issuance

The kingdom rolls out its first international sale of Islamic bonds to support its finances as income from oil sales declines.

Financial Stocks Drop Ahead of Bank Earnings Season

Stocks fell, dragged lower by bank shares a day before Citigroup and J.P. Morgan Chase kick off earnings reporting season.

Berkshire Hathaway to Sell Some Wells Fargo Shares

Warren Buffett's Berkshire Hathaway sold 7.1 million Wells Fargo shares as of Wednesday and intends to sell another 1.9 million "in the near future" as it looks to keep its ownership stake in the bank under 10%.

People Love Talking About Bitcoin More Than Using It

More than eight years after it started, bitcoin isn't living up to early hype as the payment system of the future. It has failed to emerge as a mainstream payment method among consumers.

U.S.

Firms Belatedly Register as Foreign Agents for Manafort-Linked Lobbying

Two lobbying firms said they were registering as agents of a foreign government in connection with lobbying that former Trump campaign chairman Paul Manafort helped organize five years ago for the then-Ukrainian government.

Budget Chief Seeks Deal on Funding

White House budget director Mick Mulvaney said the Trump administration is looking to avoid a partial government shutdown in two weeks but that it would insist on securing concessions from Congress.

Teachers, Police Priced Out of Big Metro Areas

Rising home prices are putting America's largest metropolitan areas out of reach for teachers, police officers and other big slices of the U.S. workforce. 146

In Arkansas, Executioners Face a Job Unlike Any Other

The scheduled executions of seven men over 10 days in Arkansas has drawn more attention than usual to the executioners, how they're recruited and cope with their grim task. About two dozen former corrections officials have asked Arkansas Gov. Asa Hutchinson to reconsider the execution schedule. 113
