Facing a Filibuster on Gorsuch, GOP Vows a Rule Change

Senate Democrats have enough votes to mount a filibuster that would block consideration of Judge Neil Gorsuch, setting up a likely move by the GOP to end the 60-vote requirement on Supreme Court nominees. 1473

Why Trump, Against His Instincts, Spared Iraq From the Travel Ban

National-security officials, after getting an earful from Iraq on why it did not belong on a list of restricted countries, quietly made their case to the president—who grudgingly revised his order. 123

Russian Probe of St. Petersburg Subway Blast Focuses on Terror

A blast tore through a subway train under Russia’s second-largest city Monday, killing 11 people and injuring dozens more in what officials said they were investigating as a terrorist attack. 253

Tech Founders Want IPO Riches Without Those Pesky Shareholders

In a growing number of stock offerings, insiders are winding up with far more votes than shares. Snap’s new shareholders in last month’s IPO got no say in how the disappearing-message app company is run. 58

Contributor Sues Fox News, Claiming Harassment by Roger Ailes

Fox News contributor Julie Roginsky filed a lawsuit alleging she was sexually harassed by the cable network’s former chairman, Roger Ailes, and that he and other executives retaliated when she rejected his unwanted sexual advances. 117

Google to Allow ‘Brand Safety’ Monitoring by Outside Firms

Google unveiled measures to help marketers track ads on YouTube, in the wake of controversy over the appearance of ads alongside objectionable content.

FCC Reverses Charter’s Merger Condition

The FCC has voted to reverse a stringent merger requirement on Charter Communications that would have compelled the company to build out internet service to one million households already being served by a competitor.

Warren Buffett Helps Launch Cherry Coke in China

Well-known soda drinker Warren Buffett has lent his likeness to Coca-Cola to promote the Chinese release of Cherry Coke.

Markets

Trades Change With Political Tide

Investors have shifted positions, dropping more bullish stances on financial and midcap stocks and turning more bearish on investment-grade bonds and biotechnology companies.

QUARTER-END REVIEW
Active Managers Stage a Comeback

As more actively managed funds beat their benchmarks, some investors are optimistic that conditions are right for their resurgence to continue, eventually slowing the flow of money into lower-cost index-tracking funds. 53

Justice Department Seeks to Delay Police Oversight in Baltimore

The U.S. Justice Department sought to delay an agreement with Baltimore aimed at eliminating racially biased police practices, saying it needed more time to review the deal reached in the final days of the Obama administration.

Florida Governor Removes State Attorney From Murder Cases

Florida Governor Rick Scott has removed a state attorney from 21 murder cases, stepping up his fight with the elected prosecutor who refused to seek the death penalty in a case in which a police officer was killed.

U.S. to Review U.N.’s Core Functions, Haley Says

The U.S. will closely scrutinize the U.N.’s peacekeeping and human rights functions as it assumes the Security Council’s rotating presidency this month, Ambassador Nikki Haley said.

Revised Trust Allows Donald Trump to Withdraw Funds Without Public Disclosure

President Trump can draw money from his business empire as its trustees see fit without disclosing it publicly, according to a revised version of his trust, a change that ethics experts say blurs the lines between the Trump Organization and his administration. 136
