- Meet Arconic's Interim Chairman and CEO

Netflix's Subscriber Growth Slows

Netflix's U.S. and international subscriber growth slowed in the first quarter, coming in below expectations, though profit grew as content costs were lower than anticipated.

- Spoiler Alert: Debt and Cash Flow Matter

Afghan commandos on Monday in Shadal, a village near where the U.S. recently targeted Islamic State militants with a massive bomb. Andrew Quilty for The Wall Street Journal

In Afghanistan, Battle With ISIS Grinds On After Big Bomb

Near the blast site of the "Mother of All Bombs," U.S. and Afghan forces are trying to dislodge Islamic State from a mountain stronghold where the militant group recently established a new front.

Observers Question Turkish Referendum Result

International observers said a closely contested vote on Turkey's presidential powers contravened Turkish law by changing rules on ballot-counting at the last minute, one of several alleged voting irregularities. 96

Business

United Earnings Beat Expectations

United Continental Holdings Inc., which has faced a week of turbulence over the violent removal of a passenger, reported Monday that while increased fuel costs cut into its latest quarterly profit, adjusted earnings still topped Wall Street's expectations.

Sitting on Trove of Rubies, Gemfields Looks to Create Fresh Demand

With a treasure trove of rubies in its Montepuez mine, Gemfields is trying to bring scale to the market for a gem rarer than diamonds.

Some Firms Resist Handing Over Keys to the Boardroom

Several big businesses, including International Business Machines and Charles Schwab, are resisting investors' demands for greater boardroom clout ahead of this year's annual shareholder meetings.

Google Makes Nevada Land Grab for Data Center

Google last week paid \$29.1 million for 1,210 acres at a private industrial park east of Reno, Nev., where it aims eventually to build a data center. 91

5 Things to Watch in Goldman Sachs's Results

Goldman Sachs Group is expected to report its first-quarter results before the market opens Tuesday. Here's what you need to know.

AHEAD OF THE TAPE

Investors Are Giving IBM Too Much Credit

IBM's sharp rally, which caught many off guard, looks due for a breather.

This Is a Risky Time to Own Emerging Markets

A crack is forming in the emerging-market resurgence amid worries the buying spree has resulted in lofty valuations, while geopolitical tensions rise.

U.S.

Trump Presidency Weighs on His Business's Growth

Donald Trump's time in office is expected to slow the growth rate of the Trump Organization's revenue and income, son Eric Trump said, because of efforts to separate the presidency from the family businesses.

H-1B Visa Applications Drop

The number of applications for the H-1B visas used by high-tech companies and others to bring highly skilled workers to the U.S. dropped this year after years on the rise, the government said Monday.

Gorsuch Is Greeted by Highly Technical Cases

New Supreme Court Justice Neil Gorsuch took the bench on Monday, but instead of wrestling with the nation's grandest legal questions, his debut crashed into the drabness of the day's cases.

Arkansas Supreme Court Halts Two Executions Set for Monday Night

The top court in Arkansas halted the executions of two inmates scheduled for Monday night, fraying plans by Gov. Asa Hutchinson to put to death six men before the state's lethal injection drugs expire at the end of the month.
