Volkswagen Reveals Strong First-Quarter Operating Profit

Volkswagen reported higher than expected pretax profit, as first-quarter earnings at the namesake VW brand beat expectations on the back of strong sales of new models and cost-cutting.

Arizona Attorney General Reaches Settlement With Theranos

More than 175,000 Arizona residents who received Theranos's blood tests will receive a full refund under a pact reached between the embattled laboratory firm and the Arizona attorney general.

IBM Profit Falls 13%, Margins Narrow

International Business Machines reported a 13% drop in quarterly earnings and narrower profit margins across its business units, including divisions that manage the cloud computing and Watson artificial intelligence operations.

New CSX CEO Shakes Up the Railroad, Starting With 'Hump Yards'

New CSX Chief Hunter Harrison is already executing some signature moves from his railroad-turnaround playbook. First among them: doing away with hump yards, where boxcars are sorted by pushing them down a hill.
