## Ousted Arconic CEO Sent Vague Threat to Hedge-Fund Boss

The letter that cost Klaus Kleinfeld his job as CEO of aerospace-parts maker Arconic contained a vague threat toward the billionaire whose hedge fund had been campaigning for Mr. Kleinfeld's ouster. 215

## A \$3.5 Billion Startup Exposed Hospital's Data Without Permission

Cybersecurity firm Tanium spent years pitching its software by showing it working in a client's network—something the client, a California hospital, says Tanium never had permission to do. 68

## Labour Backs a U.K. Snap Election That It Might Regret

Prime Minister Theresa May won approval from the House of Commons to hold an early election in June, supported by an opposition Labour Party that could be facing one of its worst national defeats in decades. 107

## Business

### BlackBerry Arbitration Ruling Cuts Into Qualcomm's Profit

An arbitration decision in a dispute with BlackBerry Ltd. weighed on Qualcomm Inc.'s earnings in the latest quarter, a further blow to its results after the chip maker paid a hefty South Korean government fine the previous quarter, and a reminder of ongoing challenges to its patent licensing business.

### Tesla Settles Lawsuit Against Former Autopilot Director

Tesla has settled a lawsuit against the former director of its semiautonomous Autopilot system, clearing the way for one of the stars among self-driving cars to build his own company that could become a threat to the Silicon Valley car maker.

### Axel Springer Buys Stake in Uber

Axel Springer said it had bought a stake in Uber Technologies, the U.S. ride-hailing company that has faced several regulatory and legal challenges in Europe.

## Virtual Reality Films Push Into the Mainstream

Kathryn Bigelow, Alejandro G. Iñárritu and Megan Ellison are behind a wave of new virtual-reality projects, as the entertainment industry dedicates new levels of talent, money and time to VR. There is a premium on original stories, award-worthy performances, Hollywood production values and a pinch of celebrity.

### Galleon Bankruptcy Trustee Targets Rajaratnam Payments

The official who is winding down a former Galleon Group investment management company is suing founder Raj Rajaratnam and two former executives to claw back what he says were inflated salaries and fees.

### Former Harvard Money Whiz Tries to Regain His Edge

Jack Meyer trounced rivals when he ran Harvard's endowment in the 1990s. But as a hedge-fund manager, he is struggling. His Convexity Capital Management has lost \$1 billion of its clients' money in recent years as once reliable options trades backfired.

### Investors Welcome a Break From Wild Oil Price Swings

U.S. oil prices are trading in the tightest range in nearly 14 years, helping those stocks and bonds that tend to suffer when crude turns volatile.

## World

### Turkish Board Upholds Vote Expanding Erdogan's Powers

Turkey's electoral commission rejected petitions submitted by three political parties to annul the results of Sunday's constitutional referendum.

### Water on Antarctic Ice Shelves a Wider, Older Phenomenon Than Thought

Networks of lakes and streams formed from melted ice are more common in Antarctica than previously believed, implying that current models on how quickly the continent's ice might melt are too simple. 107

### A Fitness Empire Quietly Rises on YouTube

Fitness Blender has amassed 4 million subscribers with video instruction that's down-to-earth—and free.

### The Rise of the Smart City

Officials are tapping all kinds of data to make their cities safer, healthier and more efficient, in what may be just the start of a sweeping change in how cities are run.
