## White House Accuses Russia of Cover-Up in Syria Attack

By JULIE HIRSCHFELD DAVIS and HELENE COOPER 9:16 PM ET

- A declassified report says Russia tried to confuse the world community about the Syrian government's culpability in last week's chemical weapons attack.
- The strongly worded document marks a striking shift by President Trump, who appears to be moving swiftly to isolate President Vladimir V. Putin.

### I'm a Political Historian. I Didn't See Trump Coming.

Political historians (me included) thought we understood American conservatism: where it came from, what it believed in and where it was going. Donald Trump proved us wrong.
